**Unacceptable Materials:** Business waste, soil, dirt, concrete, asphalt, construction debris, automobile and truck tires, hazardous waste, regular household garbage, and furniture with lead paint.

**Material Preparation:** Please try to separate materials whenever possible so that materials can easily be recycled at the drop-off site.

## **What if I can't transport my bulky items to Davis waste removal (DWR)?**

You can carpool with friends and neighbors to transport your bulky items to DWR. Individuals who currently subscribe to senior/disabled trash service can call DWR at 756-4646 for a special pickup appointment. DWR also offers a special bulky items pick up service to residents—fees will apply.

## **What if I want to dispose of my item before or after the drop-off days?**

Reusable items can be donated to a local thrift store or charity, or can be listed in the “free” section of the Davis Enterprise classified ads. Visit [DavisRecycling.org](http://DavisRecycling.org) for other reuse and recycling options. You can also take materials to the Yolo County landfill (standard landfill fees will apply). For details, call 666-8729.

## **NOT ACCEPTED: HOUSEHOLD HAZARDOUS WASTE**

Household hazardous waste is not accepted at this event. Yolo County residents can bring their hazardous waste to the Yolo County Central Landfill every Friday & Saturday, 7:30 AM to 3:30 PM for free disposal.
