What if I can't transport my bulky items to the drop-off site?

We encourage you to carpool with friends and neighbors who have a vehicle which will allow you to transport your bulky items to the drop-off site. Individuals who currently subscribe to handicapped trash service can call Davis Waste Removal at 756-4646 for a special pickup appointment. As always, Davis Waste Removal offers special pickup service for a fee to residents who wish to dispose of large bulky items.

What if I want to dispose of my item before or after the drop-off days?

If you are unable to participate, you have several options to dispose of bulky items. Reusable items can be donated to a local thrift store or charity or can be given away by advertising it in the free section of the Davis Enterprise classifieds. Check out the online Recyclopedia at www.davisrecycling.org to find out how to recycle and reuse over 150 different items. You can also take the materials to the Yolo County Central Landfill yourself. Standard landfill fees will apply. For details, call 666-8729.

Other Solid Waste and Recycling Services

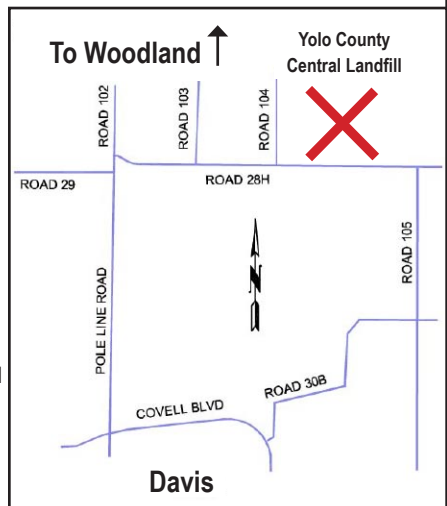

Cardboard, plastics #1 & #2, rigid plastics (#3, #5, #6 & #7), metal cans, tin foil, paper, glass bottles, scrap metal, used motor oil and oil filters: These can be recycled 24 hours-a-day, 7 days-a-week at Davis Waste Removal, 2727 Second St.
Electronics: Can be recycled for free everyday at the Yolo County Central Landfill.
Tires: The landfill accepts automobile and truck tires for a fee of \$3-\$4 each.

Household Hazardous Waste

Products that may pose a hazard to human health or the environment are considered hazardous waste. This includes items such as acids, automotive fluids (brake/transmission fluid, gasoline, etc.), floor and furniture cleaners, fluorescent bulbs and tubes, herbicides, household cleaners, mercury thermostats, paint (oil and latex), pesticides, poisons, pool chemicals, propane canisters, used syringes (must be in a certified sharps container), mercury thermometers, etc. These items cannot be thrown away in the trash.

Residents can bring their household hazardous waste to the Yolo County Central Landfill during a Household Hazardous Waste Drop-Off Day for free disposal.

The next scheduled drop-off days will be April 9 and 10 at the Yolo County Central Landfill from 9 am - 2 pm. Other 2010 dates are: May 7 & 8, June 11 & 12, July 9 & 10, August 13 & 14, September 17 & 18, October 8 & 9, November 12 & 13, and December 10 & 11. There is no charge to Yolo County residents.
